## Visa Requirements

### Visa/residence permit

The Government of Canada regulates international study permits and visas through Immigration, Refugees and Citizenship Canada (IRCC).

When students arrive in Canada, a border services official will ask to see their travel documents. You should be ready to show the following documents for entry to Canada:

- Valid Passport or travel document
- Letter of Introduction confirming approval of your Study Permit (if applicable)
- Valid Temporary Resident Visa (if applicable)
- Admission letter from Western
- Proof that you have enough money to support yourself during your stay in Canada
- Any other documents recommended by the visa office where you applied

It is the student's responsibility to find out the immigration requirements and to obtain the necessary documents for travel to Canada. Students can find this information by contacting a Canadian Consular Office near them.
