

# CME@KIT | New Master's Program: Computational Modeling in Engineering (CME) starting October 2026 | Info Session

Engineering challenges today are increasingly driven by simulation, data, and the need to understand complex systems across multiple scales. CME equips you with the skills to master them!

Join our **information sessions** to learn more about CME. Our professors will introduce the program and answer all your questions. Everyone interested is welcome to attend!

02.06.2026 | 13:00 – 14:00

**On-Campus Event at KIT**

Redtenbacher  
Lecture Hall  
Building 10.91  
Room 050

03.06.2026 | 10:00 – 11:00

**Zoom Online Event**

Meeting ID: 619 0703 2447  
Passcode: 3JP\$NHcp
