Examination

Modeling and Simulation

Examination date: Friday, 18.08.2023, 01:00 p.m. – 04:00 p.m.

Participants: Students of M.Sc. Mechanical Engineering

Registration deadline: Saturday, 12.08.2023
Registration starts at 15.06.2023 online on the student portal of Karlsruhe Institute of Technology: https://campus.studium.kit.edu/
If you want to register on paper (e.g. Zusatzeleistung, Mastervorzug), send the registration form to A. Genda (attila.genda@kit.edu) by the registration deadline.

There are no prerequisites for the exam. If students registered to the exam do not appear without previously signing off, their exams are graded “not passed”. Signing off online is possible until 12.08.2023 and after that personally through Mr. Genda until the beginning of the exam.

Caution: Please save a confirmation of your registration (e.g. screenshot). This serves as proof of your registration in case of technical problems of the student portal.

Language: The exam is bilingual and can be edited in German or English.

Location: will be announced by 17.08.2023, 12:00 a.m. on ILIAS: https://ilias.studium.kit.edu/goto.php?target=crs_1903860&client_id=produktiv

Please bring: writing material (permanent, no editable pens), student identity card, blank official formulary

Publication of grades: will be announced by 29.09.2023, 6:00 p.m.
The grades are expected to be entered into the system directly so that you can find your grade on the student portal until the given date. Further information and changes will be published in the ILIAS course.

Post exam review: Date will be announced with the publication of grades.

Aids and tools: NOTHING except the official formulary which can be downloaded on ILIAS. No calculators are allowed.
